Applicant submits the above amendments to the claims. Claims 23-25 have been rewritten in independent form including all of the elements of the independent and intervening claims. Claims 1-22 and 26-39 have been canceled in accordance with Applicant's response to the Restriction Requirement filed on July 30, 2008. Claims 40-63 have been added and contain the same claim elements as in canceled claims 1-22. No new matter is being added by this amendment. Support can be found throughout the originally filed specification and claims.

In view of the above amendment, Applicant believes the pending claims are in condition for allowance.
